## ABOUT ME

I am a Software Engineer with a background in Civil Engineering from the University of Benin. I've dedicated extensive hours, averaging 70 per week, from August 2022 to October 2023, building a diverse range of software projects. I hold a certificate in Software Engineering from ALX Africa, further enhancing my skills. For a comprehensive look at my work, please refer to my resume. You can also explore my portfolio at [uyiobazeeporfolio.netlify.app](http://uyiobazeeporfolio.netlify.app).

## WORK EXPERIENCE

### J. P. Morgan's Software Engineering Simulation | Forage

Internship & Graduate | Software Engineer  
Remote , Nigeria  
2023-09-01 | 2023-10-01

Successfully completed J.P. Morgan's Software Engineering simulation through Forage platform.

Demonstrated proficiency in the following key tasks:

- Set up a local development environment by downloading and configuring necessary files, tools, and dependencies.
- Expertly addressed and rectified broken files within the repository, ensuring the web application output functioned correctly.
- Utilized JPMorgan Chase's open-source library, Perspective, to develop a live graph that effectively displayed a data feed in a clear and visually appealing manner for traders to monitor.

### ALX Software Engineering School

Internship & Graduate | Software Engineer intern  
Remote , Nigeria  
2022-08-01 | 2023-10-01

Completed an intensive software engineering program focused on practical, hands-on

projects, dedicating an average of 70 hours per week to coursework.

Collaborated with a diverse team of fellow students on complex projects, simulating real-world development environments.

Developed and deployed multiple full-stack web applications, showcasing proficiency in technologies such as JavaScript, Python, HTML/CSS, and SQL

## EDUCATION

### ALX AFRICA

Degree | SOFTWARE ENGINEERING

Certificate in Software Engineering ALX Africa (ALX/HOLBERTON Software Engineering School), 09/2023. docs link:

### FORAGE

Others | SOFTWARE ENGINEERING

Certificate of completion J. P. Morgan's Software Engineering Simulation | Forage docs link:

<https://drive.google.com/file/d/1QUpmD14IW044gT1UYNCW60AK73ckcuhd/view?usp=sharing>

### Univerisity of Benin

Degree | CIVIL ENGINEERING

Bachelor of Engineering (B. Eng) Civil Engineering in the University of Benin (UNIBEN), Edo State Nigeria 09/2023

## JOB SKILLS

1. Website Creation:  
Proficient

Solid understanding of  
software

Experience with database  
manage

Front-End: HTML, CSS,  
React.js,

Full Stack:  
Node.js

Front-End Frameworks:  
React.js

Version Control: Git,  
GitHub

Back-End Frameworks:  
Express.js

Database: MongoDB,  
MySQL

CONTRIBUTING TO THE OPEN SOURCE
